The Rutland Township Board held its monthly meeting at the town hall on Tuesday, October 8, 2013, at 7:00 P.M. Roll call showed the following members present: Supervisor Sanders, Clerk Iverson, Trustees Schuldt, Payson, Bulmahn and Carlsen. Also present was the Assessor, and Road Commissioner.

Minutes

Trustee Bulmahn and Trustee Schuldt requested that the August minutes be corrected to include the entire letter from the auditor's regarding the deficiencies they found in our internal controls. The Trustees asked that they get something in writing from the attorneys, that the Supervisor had contacted, regarding the refiling of the 1099s. Trustee Bulmahn suggested and offered the Road Commissioner a chance to amend the inflammatory statements he made at the last meeting, in which he stated he "does not have to report the MFT money, that is received from the county, and will bring suit if the Board tried to pass a Resolution. He further stated no one has the right to tell him, how to spend the money, not even the taxpayers." The Road Commissioner said he never made the statement, which had been duly recorded at the September meeting. He then said the taxpayers do have the right to know how the money is being spent. Trustee Carlsen asked if the Road District Commissioner gave the Supervisor a report on the MFT money, he said yes. The Trustee asked the Supervisor why the Trustees weren't getting a report. The Supervisor said she hadn't seen that this was done in the past, but would make sure it was done in the future. The Trustees discussed that the MFT tax should be in the Budget, and fully disclosed. A motion was made by Trustee Payson and seconded by Trustee Schuldt to accept the minutes, with the corrections noted. Roll call vote: Trustees Payson, Schuldt, Carlsen, Bulmahn and Supervisor Sanders – ALL yes. Motion carried. Trustee Bulmahn requested that any corrected minutes be placed in the binders, along with the minutes from the previous meeting.

Other Business Matters

The Board discussed the resurfacing maintenance of the parking lot. The Road Commissioner suggested that it needs to be maintained now, or we will have to pave the entire lot later. He recommended a contractor to perform the seal coat.

A discussion regarding the adoption of the Meeting Calendar for 2014, ended with the determination that the Board wanted to move the Budget Hearings to the May meeting. We will put the 2014 Calendar back on the Agenda for the next meeting.

The Board continued the discussion of the Senior/Disabled Transportation Program, with the public, for an hour. The discussion included the costs that would be incurred by Rutland Township, the limits on the amount of rides, the new \$1,200 per month offer from Grafton Township, Ride-in-Kane, and which residents would be considered for the service. The Supervisor further stated that other townships had their programs go into bankruptcy because people were using services when they weren't truly needed. And, that all people in Rutland Township would have service available to them, not just Sun City in Huntley. Supervisor Sanders requested that the Board make a Resolution whether or not to help in some way. The discussion ended with the Board making a motion to keep any Busing Program open for discussion, and keep looking at alternatives. A motion was made by Trustee Schuldt and seconded by Trustee Bulman. Roll call vote: Trustees Schuldt, Bulmahn, Payson, Carlsen – YES. Supervisor Sanders - NO. Motion carried.

The repairs on the Assessor's office have been completed, but there still needs to be some painting.

Reports by Officials

The Road Commissioner reported all the work done on the roads and which roads were completed. Trustee Schuldt asked for a map of roads and what was done and when. The Road Commissioner said we had been given the maps.

Trustee Schuldt asked about the filing of the 1099s, and said the Township Attorney informed him that since the Board voted on the issue that legally we have to do it. The Assessor commented that she was told by the IRS there was no need for a 1099 when issuing mileage reimbursements. Trustee Bulmahn pointed out that the 1099 was issued for an allowance not a reimbursement.

Trustee Schuldt talked about the ease of use of the GPS Tracking System, and offered his to the Supervisor to use. She declined his offer.

Trustee Bulmahn asked that the Agenda show Old, and New Business, and suggested during the Reports by Officials they could request agenda items for the next meeting. Some items for the next meeting's agenda were: The Trustees asked that the Supervisor request letters from the Attorney's regarding what they told her about the 1099 refileing. There was a request for bids for the Auditor for next year, discussion for Township Attorney, copies of the bank statements, cash flow reports, and check numbers on reports. The Trustees said they need more information on the MFT.
